

10th Anniversary

Cathedra *ORDESA* of Infant Nutrition

International Meeting

28th June 2023

Main Hall

Faculty of Medicine. University of Granada

Avda. De la Investigación, 11 - 18016 Granada

As a commemoration of the **10th Anniversary** of the creation of the **Cathedra Ordesa** of Infant Nutrition, next Wednesday, June 28th, 2023, a **scientific meeting** will be held at the University of Granada, where it has its headquarters.

Following its objective of promoting training, research, and innovation in a university-business environment, the event will feature different national and international speakers who will review **the latest trends in paediatric research and infant nutrition**, and it will be possible to access it both in presential or virtual format.

During the meeting, presentations will be mainly in English
